We have read the CMMS Choir Disclosure Addendum and understand what is expected in this class. **We understand that Concert Performances are MANDATORY** and have updated our family's calendar. We are making plans to complete the **Concert Report (one for each term)**. We are arranging for appropriate **Concert Attire**. We understand that the **last time to turn in any work or complete any assessments is the Friday BEFORE the end of the term**. We also realize that any work turned in late will be processed as soon as possible but may not be entered into Skyward until the end of the term. We agree to contact Ms Swallow directly with any questions or concerns. We have also signed & tuned in our CMMS school-wide disclosures.
